Leading through Innovation

The Imation Atom Flash Drive has the smallest form factor of all Imation USB drives, and provides the ultimate in data storage portability. And, it has the fastest transfer and read/write speeds in Imation's flash drive portfolio.

An ultra compact, unique design allows you to attach this drive directly to your other mobile devices making it easy to manage and transfer digital files. Clip it to your phone, key chain or slip it into your pocket to ensure that your data stays with you and is ready anywhere it's needed.

Utilizing the Imation SIP (system in package) module, the Atom drive allows you to store up to 8GB of data while the password protection and drive partitioning capabilities safely and efficiently manage your information.

Features and Benefits

+ FAST TRANSFER
This small, mighty drive has the fastest transfer and read/write speeds in Imation's flash drive portfolio.

+ ULTRA COMPACT DESIGN
Durable, compact design makes it easy to attach to your keys, cell phone or other mobile devices.

+ PASSWORD SECURITY
Password protection and partitioning software make this drive a safe and efficient way to transfer data, music, photos or video.
